Catholic Campaign for Human Development:

Nearly 37million people considered to be living below the poverty line; 45% work full time but still do not make enough money to feed their families, keep roofs over their heads, and pay for health care. The Catholic Campaign for Human Development supports community-based projects – founded and managed by the poor themselves-that work toward building a better and more just community where poverty does not exist. You can make a difference. Please donate prayerfully and generously in today's CCHD Collection

Saturday Night Bible Study: Join George Wing for a review of the Sunday scripture readings every Sat night, 7-8:30pm, at 975 Naomi Ave. Come at 7:00pm to visit. Each of the four lectionary selections will then be meditatively considered after prayerful reading. Special emphasis is placed on understanding the typological arrangement of the readings, and considering how the message of the scriptures can be applied immediately to our Christian life. Following discussion of the Gospel reading, participants take time for intercessory and quiet, contemplative prayer. Guests wishing to depart recollected for the following day's Sunday liturgy may do so quietly. For more information call 342-4472.

Scripture Study/Radio: Joe Hollcraft is live on AM 930 at 11:00am-12:00 each Saturday and Sunday (re-aired). Tune in to the Catholic Hour. This week, November 22nd and 23rd (re-air), Joe will examine the importance of Christ the King as a Solemnity. Subject matter in principle will include a teaching on Particular Judgment and the Last Judgment. The following week Joe will consider the Advent of a new liturgical year.
