Due: December 1 (15% of grade)
THE 611
Joseph Hollcraft M.A.

While reflecting upon the CCC definition of faith, which builds itself on the biblical vision of faith, write a three page essay (minimum) that demonstrates how an OT figure is a living example of faith. In particular, how your selected figure displays the personal abandonment that is required of faith. Be sure to be attentive to the literal sense and its impact upon understanding your chosen figure.
