

“From the Pastor’s Desk”

July 11, 2010

We welcome Father Michael Baricuatro to our parish! Father Michael was ordained on May 31, so he is still a "baby priest." A summary of Father Michael's life until this point was published in the bulletin two weeks ago. But if you missed it, the biography is on our website. Father Michael will be working primarily at St. John's, St. James and Notre Dame School. We also welcome Father JB Macharia from Kenya. Father JB, who has helped us out for a number of summers now, will be with us through the first half of August. Welcome Fathers!

Fr. Blaise Berg**
